

## PM NEWS

### Wideman PM Website updates announced for July 2021

1 July 2021 – Ontario, Canada – **Max Wideman** has announced updates to his popular project management website, [www.maxwideman.com](http://www.maxwideman.com). According to Max (pictured), this month we've added the following:

**Guests:** *Rae Oliver* introduces [Plumbing PM Software: A Complete Guide](#) covering a selection of software programs designed to deal with the management of plumbing and similar project trades.

**Papers:** *Max* reflects on a recent book: [Introduction to Disciplined Agile Delivery](#) by *Mark Lines* and *Scott W. Ambler*. The book's contents provide a valuable read for those with some software programming experience but seeking a better understanding of how to manage its project development.

**Musings:** In [Common Delegation Pitfalls and How to Avoid Them](#) *Angela Civitalla* asserts that proper delegation is key to a successful project. It also sets bosses apart from true leaders. *Angela* points out eight top pitfalls to avoid when entrusting work to your team.

Project management tip of the month:

Inch by inch is a cinch  
but yard by yard is hard!

~~~~~

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book ***A Management Framework for Project, Program and Portfolio Integration***? For information or to order a copy, visit [http://www.maxwideman.com/papers/framework\\_book/intro.htm](http://www.maxwideman.com/papers/framework_book/intro.htm).

**Max Wideman** is one of the world's best-known project management authorities. An engineer and professional project manager, his experience includes systems, social and environmental projects, as well as design and engineering projects. He is a Fellow of the Project Management Institute, of which he is past president and chairman and for which he led the development of the 1987 version of the Project Management Body of Knowledge. He is also a Fellow of the Institution of Civil Engineers (UK), the Engineering Institute of Canada, and the Canadian Society of Civil Engineering. His personal web site at <http://www.maxwideman.com> is a source of superior project management knowledge and information. It is free to the public.
