Laurie Ferrier appointed PM World Correspondent in Brussels

PM Professional and PMO leader joins International Correspondents Team for PM World Journal & Library

1 September 2021 – Dallas, TX, USA and Brussels, Belgium – PM World has announced the appointment of **Ms. Laurie Ferrier** as an International Correspondent for the *PM World Journal* (PMWJ) in Belgium. Based in Brussels, Laurie is a senior project management professional and certified Prince2 practitioner with a wide range of experience in the financial services industry.

Laurie has held various roles and responsibilities along the past 10 years as a Project Manager, a Portfolio Coordinator, a Project Management Officer and more recently as a Portfolio Analyst. She has worked for multi-million Euro projects and portfolios in waterfall and hybrid environments on IT projects (mostly software development and legal compliance). Laurie is a member and active volunteer of PMI, PMI Belgium and PMI Netherlands.

She holds a Master's degree in Business Administration from Institut Supérieur du Commerce (I.S.C.) in Paris and a Master's degree in International Business Law from the Université François Rabelais in Tours, France. She speaks fluent French, English, Dutch and Chinese.

According to PMWJ editor David Pells, "We are pleased to welcome Laurie Ferrier to our international correspondents team. She contacted me recently with a very enthusiastic inquiry about our correspondents program and her interest in following the Belgium project management community more closely. I look forward to seeing her news and reports soon."

Laurie stated, "Charged with developing a world-class PMO for my organization, I recognized the need to fully understand the status of the PM profession in Belgium. I believe that the PM World Journal could benefit from that first-hand information while the journal provides me with a framework for publication and a resource that can benefit our company."

PM World correspondents are located in various countries, reporting news about local and regional projects and project management organizations, events and

developments. To see current correspondents and to follow their work, visit
