

## BREAKING NEWS

### **PMexpo 2021 announced for 22 October in Rome**

6 October 2021 – Rome, Italy – PMexpo is back! One of the major Events in the world dedicated to Project Management will take place on October 22, both in presence in Rome (up to 400 participants, due to the present anti-pandemic regulations) and in live stream.

As usual, [PMexpo 2021](https://www.pmexpo.it/) is organized by [ISIPM](https://www.isipm.org/) – the Italian Institute of Project Management – and the participation to it continues to be open and **FREE** for all registered project management professionals and enthusiasts.

This Edition will [focus](#) on the importance of Project Management in managing and delivering EU-funded projects, including the Italian National Plan of Recovery and Resilience, on project management maturity, on some new trends in project management – including the Standard ISO 21502 and overcoming false dichotomies – on new scenarios of project management in healthcare, and on project management competences for innovation management.

If you are in Rome during late October, please join the event in person. Attendance of the live-streaming event is possible from anywhere in the world. To register, go to <https://www.pmexpo.it/>

**Istituto Italiano di Project Management** (Italian Institute of Project Management, ISIPM for short) is the major Italian Association of Project Management. ISIPM is a non-profit independent cultural association which promotes both the knowledge and the diffusion of the Project Management discipline. ISIPM offers several PM certifications based on national requirements, activities and services around the country, and big annual PM Expo each October. With membership of more than 10,000, ISIPM is a center of competence and reference for Project Management in Italy. For more, visit <https://www.isipm.org/>
