

## PM PEOPLE & RESEARCH NEWS

### **Victor Dantas joins PMWL research team in Brazil**

#### ***Graduate student at Fundação Getúlio Vargas in São Paulo joins PM World Library internship program***

21 October 2021 – Dallas, TX, USA and São Paulo, Brazil – PM World has announced the appointment of **Mr. Victor Dantas** as a project management research intern for the PM World Library. Victor is a master's level student at Fundação Getúlio Vargas (FGV - *Getúlio Vargas Foundation*) in São Paulo, studying for an MBA in Project Management in a program at FGV directed by Dr. André Barcauí.

Victor earned a Bachelor of Science (BSc) degree in Civil Engineering from the Universidade de Pernambuco, Recife, Brazil (2016) and a Bachelor of Science (BSc) degree in Civil Engineering from the University of East London, United Kingdom (awarded visiting student scholarship - 2013/2014). He is a civil engineer with 4+ years of professional experience comprised mostly in construction management, quality management and planning.

Victor holds the PMP certification (since 2020) from the Project Management Institute (PMI) and is currently studying for PSM and Prince2 certifications. Victor currently works in government, with urban infrastructure for São Paulo, Brazil's largest city. Past work experience includes a major sanitation project (Public-Private Partnership) for 4 million inhabitants of the Recife Metropolitan Area.

Major Field of Study: Master of Business Administration (MBA), Project Management. Research interests: risks in project management, managing mega or complex projects (such as infrastructure projects), stakeholder management, agility in project management

According to Victor, "I am very glad to be part of the PMWL now, thank you so much for this opportunity. My main goal with this internship is to increase my PM knowledge and to build a professional network with other scholars and professors. The internship will be an impactful opportunity to continue my academic/professional journey."

David Pells, PMWL director, stated, "We are happy to welcome Victor Dantas to our research program. We are also happy to have a graduate student from FGV, one of the most prestigious business schools in Brazil, join our team. I thank Professor Barcauí for his referral of Vitor to PM World and hope that his experience will help attract other FGV students in the future."

PM World offers virtual project management research internships to university students worldwide who are studying project management at recognized universities. Internships offer students an opportunity to research specific program/project management topics, network with other interns, gain significant visibility and contribute to PM World's dual missions of knowledge sharing and continuous learning. On completion, they receive a certificate, letter of reference and five years of free PMWL membership. To see participating interns, go to <http://pmworldlibrary.net/university-interns/>
