Wideman PM Website updates announced for December 2021

1 December 2021 – Ontario, Canada – **Max Wideman** has announced updates to his popular project management website, www.maxwideman.com. According to Max (pictured), this month we've added the following:

Papers: [A 1985 PMI Brochure](http://www.maxwideman.com/papers/promotional/intro.htm) resurrected as a matter of historical interest and value. View at <http://www.maxwideman.com/papers/promotional/intro.htm>]

Guests: [10 Tips to Better Public Speaking for Professionals](http://www.maxwideman.com/guests/public_speaking/intro.htm) - Author *Professor Morrison* offers great tips from his work: *The Book on Public Speaking*, especially if you are going to address your team, your directors, or even the public. View here: http://www.maxwideman.com/guests/public_speaking/intro.htm]

Musings: Do you realize that what our world's collective population consumes is far more than the earth can sustain (i.e. Recover from)? This paradox can be measured by what is known as [Ecological Footprint](http://www.maxwideman.com/musings/footprint.htm). Read about it here: <http://www.maxwideman.com/musings/footprint.htm>.

#### Project management tip of the month

The doing-getting principle:  
*No do, no get.*

~~~~~

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book ***A Management Framework for Project, Program and Portfolio Integration?*** For information or to order a copy, visit http://www.maxwideman.com/papers/framework_book/intro.htm.

Max Wideman is one of the world's best-known project management authorities. An engineer and professional project manager, his experience includes systems, social and environmental projects, as well as design and engineering projects. He is a Fellow of the Project Management Institute, of which he is past president and chairman and for which he led the development of the 1987 version of the Project Management Body of Knowledge. He is also a Fellow of the Institution of Civil Engineers (UK), the Engineering Institute of Canada, and the Canadian Society of Civil Engineering. His

personal web site at <http://www.maxwideman.com> is a source of superior project management knowledge and information. It is free to the public.
