Wideman PM Website updates announced for April 2022

1 April 2022 – Ontario, Canada – **Max Wideman** has announced updates to his popular project management website, www.maxwideman.com. According to Max (pictured), this month we've added the following:

Guest: A critical factor required for achieving a successful project is in developing an effective project plan. *Elizabeth Larson* offers [10 Steps to creating a Project Plan](#) for accomplishing a successful project outcome.

Musings: *David DiSalvo* offers his [10 Reasons Why Your Brain Hates Long Business Meetings](#) from his book *What Makes Your Brain Happy and Why You Should Do the Opposite*. Each of his "10 Reasons" is followed by what you can or should do about them.

~~~~~

Project management tip of the month

The reporting principle:

*Reality is easy. It's deception that is the really hard part.*

~~~~~

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book ***A Management Framework for Project, Program and Portfolio Integration***? For information or to order a copy, visit http://www.maxwideman.com/papers/framework_book/intro.htm.

Max Wideman is one of the world's best-known project management authorities. An engineer and professional project manager, his experience includes systems, social and environmental projects, as well as design and engineering projects. He is a Fellow of the Project Management Institute, of which he is past president and chairman and for which he led the development of the 1987 version of the Project Management Body of Knowledge. He is also a Fellow of the Institution of Civil Engineers (UK), the Engineering Institute of Canada, and the Canadian Society of Civil Engineering. His personal web site at <http://www.maxwideman.com> is a source of superior project management knowledge and information. It is free to the public.
