❖ **PMO India Awards 2021 – Panel Discussion**

At PMOGA India Hub, we are now regularly hosting PMO Insights. Also, in line with our PMO India Awards, a PMO Insights session was held where the finalists shared their experiences with the participants. Participants received answers to these questions, among others, during the panel discussion: How does a PMO add value in industries other than IT? How did our PMOGA India Awards finalists break the stereotype and introduce a Project Management Office in their respective companies?
