### **The PMI Madrid Spain Chapter held elections of the Board of Directors last March 22, 2022**

Jesus Vazquez, PMP., was elected as PMI Madrid Chapter President last March 22 by the majority. For more than ten years, Jesus has been very active in this Chapter, contributing as a volunteer in different Chapter roles (Officer and Vice president). Jesus took the leadership of volunteers' monthly meetings (starting them on-site and being virtual during the last two years because of the pandemic).

that will help and support him to continue his President role. Congratulations, Jesus, in your new role, and the go-ahead to move our Chapter forward. Jesus counts on a great PMI Madrid Chapter volunteers' team.

## 2<sup>nd</sup> Congress of Women in Project Management

At the same time, this month, the second congress of Woman in Project Management, a yearly event that started on March 8, 2020, led by Susana Moreno, keeps the women's energy in our profession alive.

## Donations for Ukraine

Regarding social events, the PMI Madrid Spain Chapter has donated to the benefit of Ukraine, and all members supported that effort in the use of that community. Luis Reyes currently leads that initiative and keeps the Good Social activities at PMI Madrid Chapter alive.

Luis leads a group of volunteers that continue moving forward on all socially suitable activities and events. Our society needs those activities more and more because of the current worldwide complex situation.

The new President now has the challenge to continue with all current activities and move our Chapter to a PMI leading position. We hope the pandemic situation improves and be able to restart all the Chapter face-to-face activities very soon.

**TODAY IS A GOOD DAY, and TOMORROW WILL BE BETTER!**
