## Wideman PM Website updates announced for May 2022

1 May 2022 – Ontario, Canada – **Max Wideman** has announced updates to his popular project management website, [www.maxwideman.com](http://www.maxwideman.com). According to Max (pictured), this month we've added the following:

**Guest:** According to *María Elena González*, a seasoned content writer based in Venezuela, the COVID-19 pandemic has changed the entire work ecosystem. Now, almost everybody lives in different locations, with different time zones and different living costs. Hence there is a significant effect of remote work on tech salaries. *María* explores [the effects of remote work on tech salaries](#).

**Musings:** *Angela Civitella* is a certified business leadership coach who has written on this web site many times before. She says that if you want to stand out and get a particular job, then there are seven things you should focus on in your next interview. Read her article [Smaller Details Go a Long Way to a Successful Job Interview](#).

**Papers:** Last January, I wrote a piece on the corporate staff recruiter's view of searching for project management talent. This time I want to look at it from the Job-Applicant's side namely [seeking project management employment](#). First is how to establish what you should be looking for, then secondly, how and where to find it.

### Project management tip of the month

The freedom from precise projections principle:  
*It is better to be approximately right than precisely wrong.*

~~~~~

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book **A Management Framework for Project, Program and Portfolio Integration**? For information or to order a copy, visit [http://www.maxwideman.com/papers/framework\\_book/intro.htm](http://www.maxwideman.com/papers/framework_book/intro.htm).

**Max Wideman** is one of the world's best-known project management authorities. An engineer and professional project manager, his experience includes systems, social and environmental projects, as well as design and engineering projects. He is a Fellow of the Project Management Institute, of which he is past president and chairman and for which he led the development of the 1987 version of the Project Management Body

of Knowledge. He is also a Fellow of the Institution of Civil Engineers (UK), the Engineering Institute of Canada, and the Canadian Society of Civil Engineering. His personal web site at <http://www.maxwideman.com> is a source of superior project management knowledge and information. It is free to the public.
