

## Project Management Update from PMO Global Alliance India Hub <sup>1</sup>

by **Linda Ottmann**  
International Correspondent  
Nuremberg, Germany

### News Snippets

#### ❖ **New partners: Project Management United, Webhelp and PMOEx, Can Do GmbH and PM World Journal**

We have collaborated with [Project Management United](#) as social partners for BRIDGE 2022: PM & PMO Conference, the largest project management conference in the Baltic States, which took place from September 22<sup>nd</sup> to 23<sup>rd</sup>. The main topic of the conference this year was "Sustainable Project Management".

Besides that collaboration we are super thrilled to announce another new partner: [Webhelp](#), a global outsourcing and offshore consulting organization operating in 55 countries with 110,000+ game changers.

<sup>1</sup> How to cite this report: Ottmann, L. (2022). Project Management Update from PMOGA India Hub; report, *PM World Journal*, Vol. XI, Issue X, October.

We would like to especially thank [Luis Guardado](#) for accepting our invitation and making this partnership happen! We are looking forward to an exciting collaboration for the growth of PMO and PM community!

But that's not all! We also found a new partner in [PMO Excellence Center](#) from El Salvador!

We are excited to join hands with PMOEx and Luis Guardado its founder who has played an instrumental role behind this partnership. PMOEx and PMOGA India Hub share great synergies for the growth of PMOs and PMO/PM professional globally. PMOex has been established with the following goals:

- Increase community's competitiveness in multiple project management disciplines
- Boost professional training using world-class content
- Establish professional networks that grant access to regional job boards

Two more new partners are Can Do GmbH and PM World Journal. More information on these two partnerships can be found below.

### ❖ **New Partner Can Do sponsors the PMO India Awards**

We are thrilled to announce our new partner Can Do GmbH as our prime sponsor for PMO India Awards 2022. With Can Do you can "Plan the future as precisely as reality"!

Learn how Can Do's resource management and project management software uses artificial intelligence and ensures that planning errors, unpredictable risks and project schedule overruns are a thing of the past.

Thank you, [Thomas Schlereth](#), [Ariane Peplinski](#) and [Jens Steinbicker](#) for the fantastic support in this community development and supporting the platform for recognition of PMOs and PMO professionals in India.

Visit Can Do's website: <https://www.can-do.de/en/>

### ❖ **PM World Journal is our new Media Partner**

We are extremely happy to onboard [PM World Journal](#) from Texas as our official media partners. They have been publishing our updates and news every month. [PMWorldLibrary.net](#) contains the collection of articles, papers and other works about project, program and portfolio management originally published in the PM World Journal.

Thank you [David Pells](#) for accepting our invitation and providing us a great platform!

### ❖ **Apply for the PMO India Awards 2022**

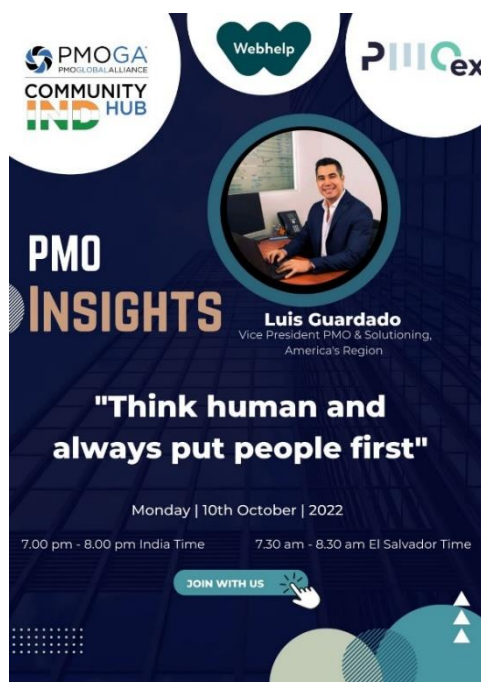

We invite all PMOs located in India to take part in the 2022 PMO India Awards, an amazing initiative to recognize and promote excellence. The winner of the 2022 INDIA PMO OF THE YEAR AWARD will be nominated to represent India in the 2023 PMO Global Awards, [the world's largest and most prestigious award for PMOs](#).

To apply for the PMO India Awards, you simply need to take the following steps:

1. [Fill out a one-page application form](#).
2. Our team will make sure that your PMO is eligible. After that, you'll have at least four weeks to record a short video that describes your PMO according to a simple set of rules available at the award website.
3. And it's done! A large international panel of judges comprised of PMO leaders from around the world will then evaluate your PMO. They will give their suggestions and recommendations, which may later be made accessible to you at no cost, thus providing you with access to essential information that will assist your organization in developing its PMO. You will also have access to all of the competitors' videos, which will help you, your organization, and the whole global PMO community learn and grow from this amazing initiative.

## ❖ PMO Insights: Think human and always put people first

And we are back with PMO Insights! This time with our partners [PMO Excellence Center](#) and [Luis Guardado](#)!

We are delighted to share that our next PMO Insights session is around the corner with a very interesting topic from Luis Guardado who is the VP, PMO & Solutioning in the Americas Region and Founder and President of PMOex. Grab your seats now! Luis shall be covering about Neuro-semantic which is an inter-disciplinary field, drawing from Cognitive Behavioural Psychology, General Semantics, Neuro-linguistic Programming and Systems Thinking. In this session, you will get an opportunity to learn how our personal structures combined with our senses recreate realities and generate emotional meta-states, and how we can induce the best reactions by being present using our perception channels as sources of information gathering. Luis shall also be touching upon the areas of PMOs, stakeholders management, demand management, strategy, executive communication skills. The session will be hosted by our own awesome podcaster [Sri Sudharshan M!](#) Register here now: <https://www.airmeet.com/e/babf65c0-3e1e-11ed-9a5e-d918111719e3>
