**Project Management Institute Celebrates Contributions to Project Management Industry with  
Winners of 2022 PMI® Awards**

**PHILADELPHIA (2 DECEMBER 2022)** – [Project Management Institute](#) (PMI), the world’s leading organization for the project management profession, announced the winners of the 2022 PMI® Awards during a reimagined award ceremony, themed as ILLUMINATE!, at [PMI Global Summit](#). The PMI® Awards highlight project professionals, PMI chapters, groups and published works that advance the project management profession.

Since 1974, PMI has honored organizations and project professionals whose passion, talent, and expertise have made the greatest contributions to project management and PMI. This year’s awards fall under three categories: PMI Project Awards, PMI Research and Academic Awards, and PMI Chapter Awards.

“As the home for project professionals across the globe, PMI celebrates the work that leads us forward—and those who make it possible,” said Pierre Le Manh, President and Chief Executive Officer of Project Management Institute. “Through innovation, collaboration, and a dedication to outcomes that matter, this year’s recognized work and project leaders model the qualities that drive the world forward—directing us all towards a brighter future.”

**PMI® Awards:**

**PMI® Project of the Year Award** – This award is the highest project honor and recognizes a single project leading the way in the project management profession. Projects winning this award have achieved excellence of project management practices including superior organizational results, innovation, collaboration, and making positive impacts on society.

- **Winner:** Creative Destruction Lab (CDL) Rapid Screening Consortium by Creative Destruction Lab
- **Finalist:** Al Madinah Mega Project by King Faisal Specialist Hospital & Research Center
- **Finalist:** Sanmen AP1000 Phase I Project by the Shanghai Nuclear Engineering Research & Design Institute

**PMI® Large and Mega Project Award** – This award recognizes complex projects that best deliver superior performance of project management practices, superior organizational results, and positive impacts on society with a project budget of more than US\$50 million.

- **Winner:** Route 2020 Project by Dubai Metro
- **Finalist:** COVID-19 300 ICU Hospital Beds by GDID Jubilee
- **Finalist:** Multiplan Advocacy Platform Implementation by UST

**PMI® Small and Mid-Size Project Award** – This award recognizes complex projects that best deliver superior performance of project management practices, superior organizational results, and positive impacts on society with a project budget of less than US\$50 million.

- **Winner:** Medical Oxygen Plant (MOP) by Tata Advanced Systems Limited (TASL)

**PMO of the Year® Award** – This award honors a Project Management Office (PMO) that has added value to its organization through its support of successful strategic initiatives and demonstrated superior organizational project management capabilities. It also recognizes a PMO that has established a vision for value delivery and has had a positive and clear impact on business results.

- **Winner:** Dubai Municipality Project Management Office
- **Finalist:** Ontario Power Generation Enterprise Project Management Office
- **Finalist:** Johnson & Johnson FS&T Project Management Office

**PMI® Fellow Award** – This is the highest and most prestigious individual award, honoring professionals for their service to the organization and profession.

- Dr. Ricardo Viana Vargas

**PMI® Eric Jenett Person of the Year Award** – This award recognizes and honors an individual who has made an outstanding contribution(s) to the project management profession or its practice through leadership, technical project management, and strategic and business management acumen.

- Imre Szalay
- Shivani Gupta

**PMI® Rising Leader Award** – This award recognizes and honors young professionals who have made a significant impact in advancing project management within an organization; advancing the knowledge and understanding of the practice of project management; and demonstrating an understanding of PMI standards, practices, and ethics.
