

BREAKING NEWS

Early Registration Open for 15th UT Dallas Project Management Symposium in May 2023

Discounts available to attend the premier project management conference in north Texas scheduled for 22-23 May

17 January 2023 – Richardson, TX, USA – Early registration is open for the 15th annual University of Texas at Dallas (UT Dallas) Project Management Symposium. The 15th UT Dallas PM Symposium, under the general theme of “*Exploring Emerging Trends in Project Management*”, will be held during 22-23 May 2023 at the Naveen Jindal School of Management on the UT Dallas campus in Richardson, Texas, USA (just north of Dallas). [Visit the symposium website here.](#)

The symposium is organized by the [Graduate Program in Project Management at UT Dallas](#), in cooperation with the PMI Dallas Chapter and the *PM World Journal*. This 2-day Project Management Symposium will again be one of the largest PM conferences in the southwestern United States this year. Join other PM professionals, network, share experiences and continue your project management journey at this live event. [More information on the conference website.](#)

Since 2007, this has been one of the premier PM conferences in the region and one of the most highly rated in the central United States.

Benefits for Attendees

- **Earn PDUs** – Earn up to 13 PDUs to help maintain your PMP® or other PMI certification; presenters earn even more.
- **Learn** – Gain valuable new skills from experienced industry professionals and experts; every presentation includes learning objectives and outcomes.
- **Grow** – Be challenged to think outside the box, learn about new topics and trends, discuss issues with peers, take your skills to the next level.
- **Network** – Meet authors, mentors, recruiters, teachers and others who can help advance your career.
- **Find Inspiration** – Keynote speakers are chosen for their expertise, experience, passion and ability to inspire; learn, get excited, have fun!

Benefits for Employers

- **Value** – For a small investment, employees can acquire a wealth of information and knowledge that can be applied on the job immediately.
- **Employee Development** – Arm your project managers with the latest methods and ideas for managing projects of various sizes and complexity.
- **Skill Enhancement** – Employees can share lessons learned & learn new skills; multiple employees can split up, attend different sessions and maximize organizational learning.
- **Competitive Advantage** – Ensure that your project managers and teams can deliver new products and services to customers and stakeholders as well as or better than your competitors – with better project management!
- **Community Involvement** – Attendance can provide your employees and the company with a chance to engage with the university and local PMI chapter.
- **Enhanced reputation** – Be perceived as an innovative and forward-thinking organization by learning and implementing the latest PM best practices.

Early registration for the two-day event is now open. Discounted individual and group prices are offered. If you are a project manager or project management professional living in Texas or nearby states, plan to attend this world class symposium. If you employ project and program management leaders, send them to this world-class event. This year's conference agenda and speakers will be announced soon; for more information or [to register, click here.](#)

As it is each year, the 2023 symposium will be held in world-class facilities in the **Naveen Jindal School of Management** on The UT Dallas campus in Richardson, Texas, USA. The event will include keynote speakers, professional presentations, interactive sessions, lunches and coffee breaks, and a networking reception. For additional information or with questions contact pmsymposium@utdallas.edu or [visit the UTD symposium website here.](#)
