33 new works added to PM World Library in June

PM World Collection grows to 4689 project management articles, papers & other works by 1,846 authors in 90+ countries

15 June 2023 – Dallas, London, Sydney – PM World has announced that 33 new articles, papers and other original works about program and project management have been added to the PM World Library (PMWL) this month. These contributions by 42 different authors representing 14 different countries were published in the June 2023 edition of the *PM World Journal* (PMWJ) at <https://peworldjournal.com/>. They can now be found among the most recent papers and articles on the PMWL home page at <https://peworldlibrary.net/>.

The new additions bring the total in the **PM World Collection** to 4,689 original works by 1,846 different authors located around the world. The collection is growing each month by 30-40 new works from many different authors; of the 42 authors this month, 13 were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://peworldlibrary.net/author-showcase/>.

According to PMWJ Managing Editor David Pells, “Seven featured papers are included this month, serious works by 16 authors in five different countries. Seven series articles are included as well, by authors in seven countries. These are all outstanding works that I am encourage everyone to consider reading.”

New authors this month include: Inna Baker (USA), Kelly Benson (USA), Cecilia Buzzi (Italy), Jay Hanan (USA), Taylor Haskings (USA), Bhavisha Jaa (South Africa), Gcobisa Masheguana (South Africa), Antonio Mendicino (Italy), Claudia Milani (Italy), Alicia Morgan (USA), Chijoke Oleru (USA), Davide Riguso (Italy) and Tannuh Wijoseno (Indonesia). New works from 29 authors already included in the library were also added.

“Once again, Yasmina Khelifi in Paris has interviewed an important figure in the PM professional world this month, Professor Adam Boddison, CEO of APM in the UK” Pells adds. “Combined with the four reports from Finland, India and UK, this edition offers some interesting insights into the PM profession in those countries. The advisories, commentaries and letters to the editor make it all so much more interesting.”

The **PM World Library** is a global resource for continuous learning in program and project management. The PMWL is produced and maintained by PM World, Inc. which also produces the monthly *PM World Journal* (ISSN: 2330-4480), a free monthly digital publication featuring dozens of articles, papers and stories about projects and project management around the world.
