

## **Project Management Update from Italy<sup>1</sup>**

*End of August 2023*

**By Alessandro Quagliarini**

International Correspondent for PM World Journal

Rome, Italy

### **Announcement of Project Management Expo 2023 (PM Expo® 2023)**

The Italian Institute of Project Management (ISIPM for short) announce the major Event in Italy dedicated to Project Management. What is relevant that is another full back in presence edition covering multiple sessions engaging several teams of volunteers. This year are expected about 1000 people in presence to follow the event attending several different rooms where over 30 speakers will have the opportunity to share their professional experiences in the implementation of projects in very different fields:

- Public Administration
- Metaverso
- Innovation
- Artificial Intelligence

## About the Author

### **Alessandro Quagliarini**

Rome, Italy

**Alessandro Quagliarini**, MScEng, PMP, MBA, is an experienced Program Manager, with more than 18 years of experience in the ICT sector. He holds a Master's Degree in Telecommunication Engineering from the University of Rome "Tor Vergata" and a Doctor's degree in Business Administration from the Bologna University Business School. He got both PMP® and ISIPM-Av® advanced certifications in Project Management, and he is also certified as an Information Management Systems Lead Auditor. He is a Member of the Board of the "Italian Institute of Project Management" (ISIPM) for ten years, and he is an Accredited Teacher in Project Management.

Alessandro is currently engaged in the "Digital Transformation" engineering and industrialization programs of the new Italian "Open Fiber" telecommunications network, with particular focus on the engineering of delivery and assurance processes for the provision of retail, business and industries customers, on the operational management and procurement support for the definition of specifications and contracts, on the definition of operating rules/ instructions for maintenance and of requirements for systems development, on the support to the commercial and regulatory lines for the definition of services and processes for customers (Other Licensed Operators and Industries), and on the definition and management of operations compliance with ISO Standards and International Best Practices.

As a Member of the ISIPM Board, he focuses his volunteer activities mainly on the cultural diffusion of the project management to young people – specifically to high school students and also staff, including teachers. As an ISIPM accredited teacher, he has taught project management in public and private institutions, in schools and in universities. He has experience in the organization of events and as a speaker in conferences, and also in proposing and managing EU-funded projects.

Alessandro can be contacted at: [a.quagliarini@gmail.com](mailto:a.quagliarini@gmail.com)
