

FOR IMMEDIATE RELEASE

Tunley Environmental Launches Tunley's Trusted Sustainability Showcase: A Platform Celebrating Sustainable Excellence

[Leeds, 29/09/2023] - Tunley Environmental proudly introduces Tunley's Trusted Sustainability Showcase (TTSS), a dynamic platform dedicated to highlighting exemplary sustainable organisations and products. This innovative initiative creates a community of organisations demonstrating their unwavering commitment to advancing sustainability, fostering partnerships, and sharing pioneering solutions that contribute to a more environmentally conscious future.

Building a Sustainable Future Together

Tunley's Trusted Sustainability Showcase embodies the belief that, by joining forces and sharing knowledge, we can significantly magnify the impact of our sustainability endeavours. The platform is designed to be a comprehensive resource, spotlighting the achievements of like-minded organisations and businesses that share our dedication to environmental responsibility. Through this collaborative effort, Tunley Environmental aims to inspire, educate, and motivate others to make sustainable choices that collectively drive positive change.

Showcase Membership Benefits

Participation in Tunley's Trusted Sustainability Showcase offers numerous advantages for both organisations and their products. Showcase members receive heightened visibility, as their services are recommended and referred to our extensive network of existing and potential customers, opening new avenues for business growth. Together, we can take meaningful steps toward addressing climate change.

Member Benefits Include:

- **Prominent Website Placement:** Featured on our website with a direct link to your organisation's website, showcasing your logo and product imagery.
- **Sustainability Highlights:** Highlighting the sustainability benefits of your product or services.
- **Expanded Outreach:** Promotion of your organisation through our LinkedIn and email campaigns, reaching a broader audience.
- **Executive Spotlight:** Opportunity for one member to be featured in our weekly sustainability update video, presented by our CEO, Will Beer.

Qualifying for Showcase Membership

To qualify for membership in Tunley's Trusted Sustainability Showcase, your organisation must have undergone either an embodied carbon assessment or a business carbon assessment of its services or products. These assessments signify your commitment to carbon reduction and environmental stewardship. Please note, there is no monetary cost associated with joining TTSS.

Join Us on the Path to a Greener Future

Tunley's Trusted Sustainability Showcase is an ongoing project, continuously updated with new partnerships and contributions. We invite you to explore the showcase, support the featured organisations and products, and join us on our journey towards a more sustainable future.
