

## PM PEOPLE & RESEARCH NEWS

### **Ameena Haq joins PMWL research team in Pakistan**

#### ***Graduate student at Riphah International University in Rawalpindi joins PM World Library internship program***

23 February 2024 – Dallas, TX, USA and Rawalpindi, Pakistan – PM World has announced the appointment of **Ms Ameena Haq** as a project management research intern for the PM World Library. Ameena is currently pursuing her MSc degree in Project Management at Riphah International University in Rawalpindi, Pakistan for the academic years 2022-2024.

Ms. Haq was awarded a BSc in Biomedical Engineering from the same university in the year 2020. She is a motivated project management student seeking an opportunity to apply theoretical knowledge, drive successful outcomes, and grow professionally. She is proficient in project planning, team coordination, and problem-solving and is eager to contribute strong communication and organizational skills to achieve project success.

Coming from a medical background, she has a strong interest in the field of healthcare study and projects, as well as her course projects, assignments, and thesis which revolve around the same.

Research interests: Project Management- Change Management, Quality Management, Innovation, Healthcare Projects, Psychology & Project Management, Organizational Project Factors, Planning & Scheduling, Project Success Factors

David Pells, PMWL director, stated, “We are happy to welcome Ameena Haq as a new research intern for the PM World Library. Also, very happy to see her background in health and medical projects, rapidly growing fields for project management in vitally important industries. I look forward to seeing her research results and to posting them in the library soon.

According to Ameena, “I believe this research internship will prove beneficial in enhancing my academic skills and creating future opportunities. Thank you for this opportunity.”

PM World offers virtual project management research internships to university students worldwide who are studying project management at recognized universities. Internships offer students an opportunity to research specific program/project management topics, network with other interns, gain significant visibility and contribute to PM World’s dual missions of knowledge sharing and continuous learning. On completion, they receive a certificate, letter of reference and

five years of free PMWL membership. To see participating interns, go to
