Reunión de Socios del Capítulo de Madrid y Asamblea General

The PMI Madrid Chapter is a non-profit association that aims to promote the profession of Project Management and improve best practices in Project Management in Spain, as well as to bring together professionals in this discipline to exchange experiences and ideas. On April 18, the General Assembly of Members took place for the renewal of positions of the Board of Directors. It was a real pleasure for me to be able to attend last Thursday, April 18th, the annual Assembly of PMI Members of the Madrid chapter. Congratulations to all the new Board members! Together, may you multiply your abilities and ideas to continue being a great chapter.

Manuel Ancizu and the Electoral Committee Chapter (Barbara Figueroa, Lorena Herrera y Raúl Martín).

Prior to the Assembly, a workshop was held on how to focus project management on the needs of customers and the company in an efficient way, given by Teodora Bozheva, which was attended by fifty colleagues and was characterized by good dynamics and interaction. The PMI Madrid Chapter continues to promote workshops and webinars to facilitate the professional development of Chapter members.

The Board of Directors also announced the reactivation of the "Toastmaster" group where it is intended to encourage all members to improve their oral communication skills. Improving public presentation skills is key for any project management professional.

TODAY IS A GOOD DAY, and TOMORROW WILL BE BETTER!
