

Project Management News from Italy

End of September 2025

By Alessandro Quagliarini

International Correspondent for PM World Journal in Rome, Italy

Announcement of Project Management Expo 2025 (PM Expo® 2025)

PMexpo 2025: Italy's Largest Project Management Event Returns to Rome, 14 November 2025 • Centro Congressi Auditorium della Tecnica

The *Italian Institute of Project Management* (ISIPM) is pleased to announce the 2025 edition of PMexpo, the annual flagship event for professionals, companies, institutions, and all stakeholders involved in Project, Program, and Portfolio Management. The event will take place on Friday, 14 November 2025, from 09:00 to 18:00, at the prestigious Centro Congressi Auditorium della Tecnica in Rome.

Key Highlights

- **Celebrating ISIPM's 20th Anniversary:** This edition carries a special significance, marking two decades of ISIPM's commitment to advancing project management in Italy.
- **Rich and Multidisciplinary Program:** Keynotes, workshops, panel discussions, and case studies will cover cutting-edge topics such as methodologies and tools, digital transformation, artificial intelligence, sustainability, governance, and organizational change.

- **A Prestigious Venue:** The Auditorium della Tecnica in Rome provides a modern, high-profile setting, ideal to host an event of national relevance.

Why Attend

- **Learning & Development:** Stay up to date on the latest methodologies, tools, and international best practices.
- **High-Level Networking:** Connect with professionals, experts, academics, companies, and institutions.
- **Strategic Visibility:** Contribute to shaping discussions on organizational maturity, innovation, and project-driven value creation.
- **Community Engagement:** A strong focus on future generations, with initiatives involving students, teachers, and young professionals, as well as EU-funded projects.

Practical Information

- **Date:** 14 November 2025, 09:00–18:00
- **Venue:** Centro Congressi Auditorium della Tecnica, Rome
- **Organizer:** ISIPM – Italian Institute of Project Management
- **Contact:** ISIPM, Viale Regina Margherita 306, 00198 Rome | Tel. +39 06 44252060

PMexpo 2025 will once again bring together the Italian project management community for a full day of knowledge sharing, innovation, and networking opportunities, celebrating the past achievements of ISIPM while looking ahead to the future of the profession.

All updated news is available on the PMEXPO® website¹. Again, for this **PM Expo® 2025** edition, the Project Management Word Journal is the official media partner.

About the Author

Alessandro Quagliarini

Rome, Italy

Alessandro Quagliarini, MScEng, PMP, MBA, is an experienced Project, Program and Portfolio Manager with more than 18 years of experience in the ICT sector. He holds a Master's Degree in Telecommunication Engineering from the University of Rome "Tor Vergata" and a Professional Master in Business Administration from the Bologna University Business School. He has obtained both PMP® and ISIPM-Av® advanced certifications in Project Management, and he is also certified as an Information Management Systems Lead Auditor.

For the past ten years, He has been a Member of the Board of the "Italian Institute of Project Management" (ISIPM) and an Accredited Teacher in Project Management. Currently, He works in the "Enterprise and Innovative Solutions Office" of TIM as a Project Management Officer. Previously, He was involved in the "Digital Transformation" engineering and industrialization programs of the new Italian telecommunications network. His focus has been on the engineering of delivery and assurance processes for the provision of services to retail, business, and industrial customers, as well as operational management and procurement support for defining specifications and contracts. He has also contributed to the definition of operating rules for maintenance, requirements for systems development, and support for commercial and regulatory teams in defining services and processes for customers (Other Licensed Operators and Industries). Additionally, He has worked on ensuring operational compliance with ISO Standards and International Best Practices.

As a Member of the ISIPM Board, He dedicate his volunteer activities to promoting project management culture among young people, particularly high school students and staff, including teachers. As an ISIPM accredited teacher, He has taught project management in public and private institutions, schools, and universities. He also has experience in organizing events, speaking at conferences, and proposing and managing EU-funded projects.
